Keep peace with your soul*

You are child of the Universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the Universe is unfolding as it should.

Although people say grass is always greener in someone else's yard, we as citizens of Billerica still have much to be proud of: For one a beautiful historic town.

ZADOK HOWE

Born in Bolton. Ct.

Died in Billerica.

March 8. 1851.

The Faithful Citizen and
Distinguished Physician.

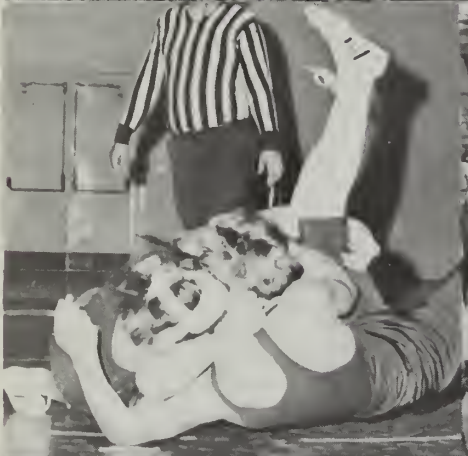

The Town of Billerica.

In token of their regard for
his long and Skillful Services
and their Gratitude for his
Munificent Legacy for the
endowment of a High School

Erected this Monument

Quiet
drives many mad
unaccustomed
to listening to their own souls
to thinking their own thoughts.

Silence is frightening
they rush, trembling
to their radios, and t.v.'s.

Quiet,
you see
is not good for
conformity—it
furnishes time to
Think.

YEARBOOK MESSAGE 1973

In retrospect, four years pass very quickly. The next four years, for the class of 1973, will be perhaps even more important than your years of high school, because you will be more clearly identifying your aspirations and completing your plans for the future. Those of you who matriculate at college will, for the most part, have your continuing preparation charted for you. Those of you who do not plan to continue your formal education should identify your talents and reconcile them to your preparation for your life's endeavor. For both groups these years must be used prudently if individual potential is not to be wasted. That you may realize the importance of your continuing preparation for your personal benefit and the benefit of society is my most sincere wish for all of you.

Field Hockey

—Girls Field Hockey—

The 1972 Girls Field Hockey team had an unusual season. We developed a tremendous friendship, fantastic spirit, loyalty to ourselves as a team, and a great desire to win, even though the results were lacking. We had many strong players who never let up when the chips were down. We found that winning a game wasn't as meaningful as the satisfaction we received from playing as a team united. Miss Hood, our coach, instilled the drive we needed to regain our confidence and spirit when things looked bad. Now for the captains and other seniors, Field Hockey has ended but the memorable games and long, hard practices will never be forgotten.

Co-Capt.: Stephen Lentine, Richard Nestor, Joseph Higgins.

The football record though not a great one did not really reflect how good this team really was. Injuries to key players and a few close games that were lost in the final quarter of play proved to be the team's downfall. A bright spot in the season, however, was the great support the team received from the student body at the games, which the players were very thankful for. We hope these fans will continue to support the team in the years to come.

"With lots of energy and dedication but little experience, the B.M.H.S. soccer team was initiated on Sept. 13, 1972. Through the endless teaching of our highly spirited coach, Mr. Bill Altieri, we, the soccer team, established ourselves as competition to all of our opponents. We played all of our games the best we could and we had never been beaten badly in any of them. On the contrary, we had slaughtered our opponent on six occasions. We had a strong finish with a winning record of 8-4-2. We hope that those who follow will do better in the years to come, when we have been long forgotten.

We the members of the soccer team, would like to thank all those who gave us the opportunity to participate in this great sport, especially Mr. Gracie, Mr. Alteri, and Mr. Carrier. It was gratifying and a pleasure to represent B.M.H.S.

"You can do what you want. If they give us the peace sign, I'm returning it."

S p r i n g

The Spring Track Team of 1972 had a very impressive record of 5 wins and 3 losses. The Tri-Captains were Gene Latwas, Donald Beccy and Randy Thresher.

Brian Conroy, The Outstanding Performer, placed third in the State-Meet in Boston (in his specialty The Pole Vault) and went on to the New Englands in Bowdoin, Maine.

John Bradford, another Outstanding Performer set two records during the season and placed seventh in the State Two-Mile-Run.

The Billerica Harriers enjoyed another very successful season, winning nine meets while losing none. This is the eighth undefeated season and eighth championship since it was originated by Coach Samson 13 years ago.

The Team was led by Senior Captain John Bradford and Junior Captain David Scharn. David and John both alternated as far as winning the races during the season; David winning five dual meets and John gaining four. John won the championship meet at the conclusion of the season and went on to place fourth in the Class-Meet in Boston and represented Billerica in The State Meet-Finals in Boston.

Baseball

The 1972 Edition of Billerica Indians had a very dismal season. Pitching was the main problem. There were, however, a few highlights. A 5-0 win over Champion Methuen was the highest point of the season. The Indians were the first to break Methuen's undefeated streak of ten games. Jeff Coombs was excellent in his starting role as pitcher.

Mike Woodford and Mike Aquilino were solid captains and played excellent baseball. Tom Turco was the stickman of the team, while sophomore Paul Hamilton became a legitimate high school ball player. George Garabedian played a fine second base for the Indians all year.

Pitching will be stronger in 1973 with Jeff Coombs, Paul Hamilton, and junior Mark Shermahorn as experienced players. Last year's hustle will hopefully carry over to 1973. Joe Higgins and Jeff Coombs were chosen to captain the 1973 baseball squad. Mike Aquilino and Tom Turco can both be considered as most valuable players for the 1972 season.

Softball may seem like a "nothing" sport to some people. But to us, it is as important as any of the other sports. We may not have come out in first place but we *did* try and we *did* have a winning season. And who could ask for more!

Winter Sports

Hockey Team

The 1972-73 edition of the Billerica Indian Hockey Team had its ups and downs. Because of 1972 graduation, young players had to make a quick adjustment to high school playing. They developed an effective team with veteran Billy Russell becoming M.V.P. and Mike Mastrullo becoming one of the best defensive linemen in the league. Playing well throughout the season, Billerica nearly lost the Championship with two defeats but came back strongly to shut out Wilmington 7-0 in the last game of the regular season to win the M.V.C. Championship. Congratulations and on to the State Hockey Finals.

Girl's Basketball

The Billerica Girl's Basketball team had an exciting season under the coaching of Miss Nancy Phillips. Despite several injuries, the team ended the year with a respectable 7-5 record. Although the team was young, we came along way together.

Security is knowing you're not alone.

Co-captains: Paula Whittenberger and Bev Mortimer.

She should've bit her.

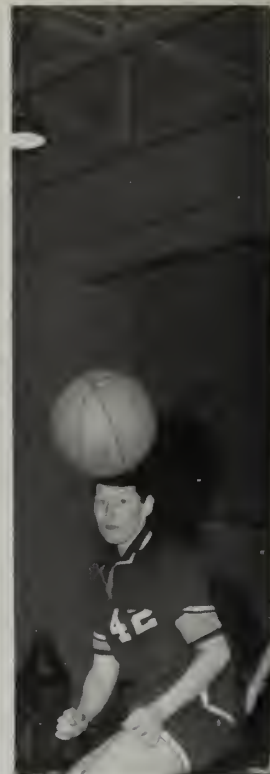

The only thing that bothers me is I don't know if I'm facing the right way.

She's right . . . we've got to start acting more sensible . . . tomorrow!

That was very beautiful . . . What was it?

Through the combined efforts of a great bunch of guys the Winter Track Team had its first winning season in recent years.

Returning seniors included both co-captains John Bradford and Gary Rucinski, Randy Thresher, Dan Carey, Mike Streb, Hugh Healy, John Coppinger and Don MacIntosh. All proved to be valuable assets in that all were consistent point scorers.

Boy's Basketball

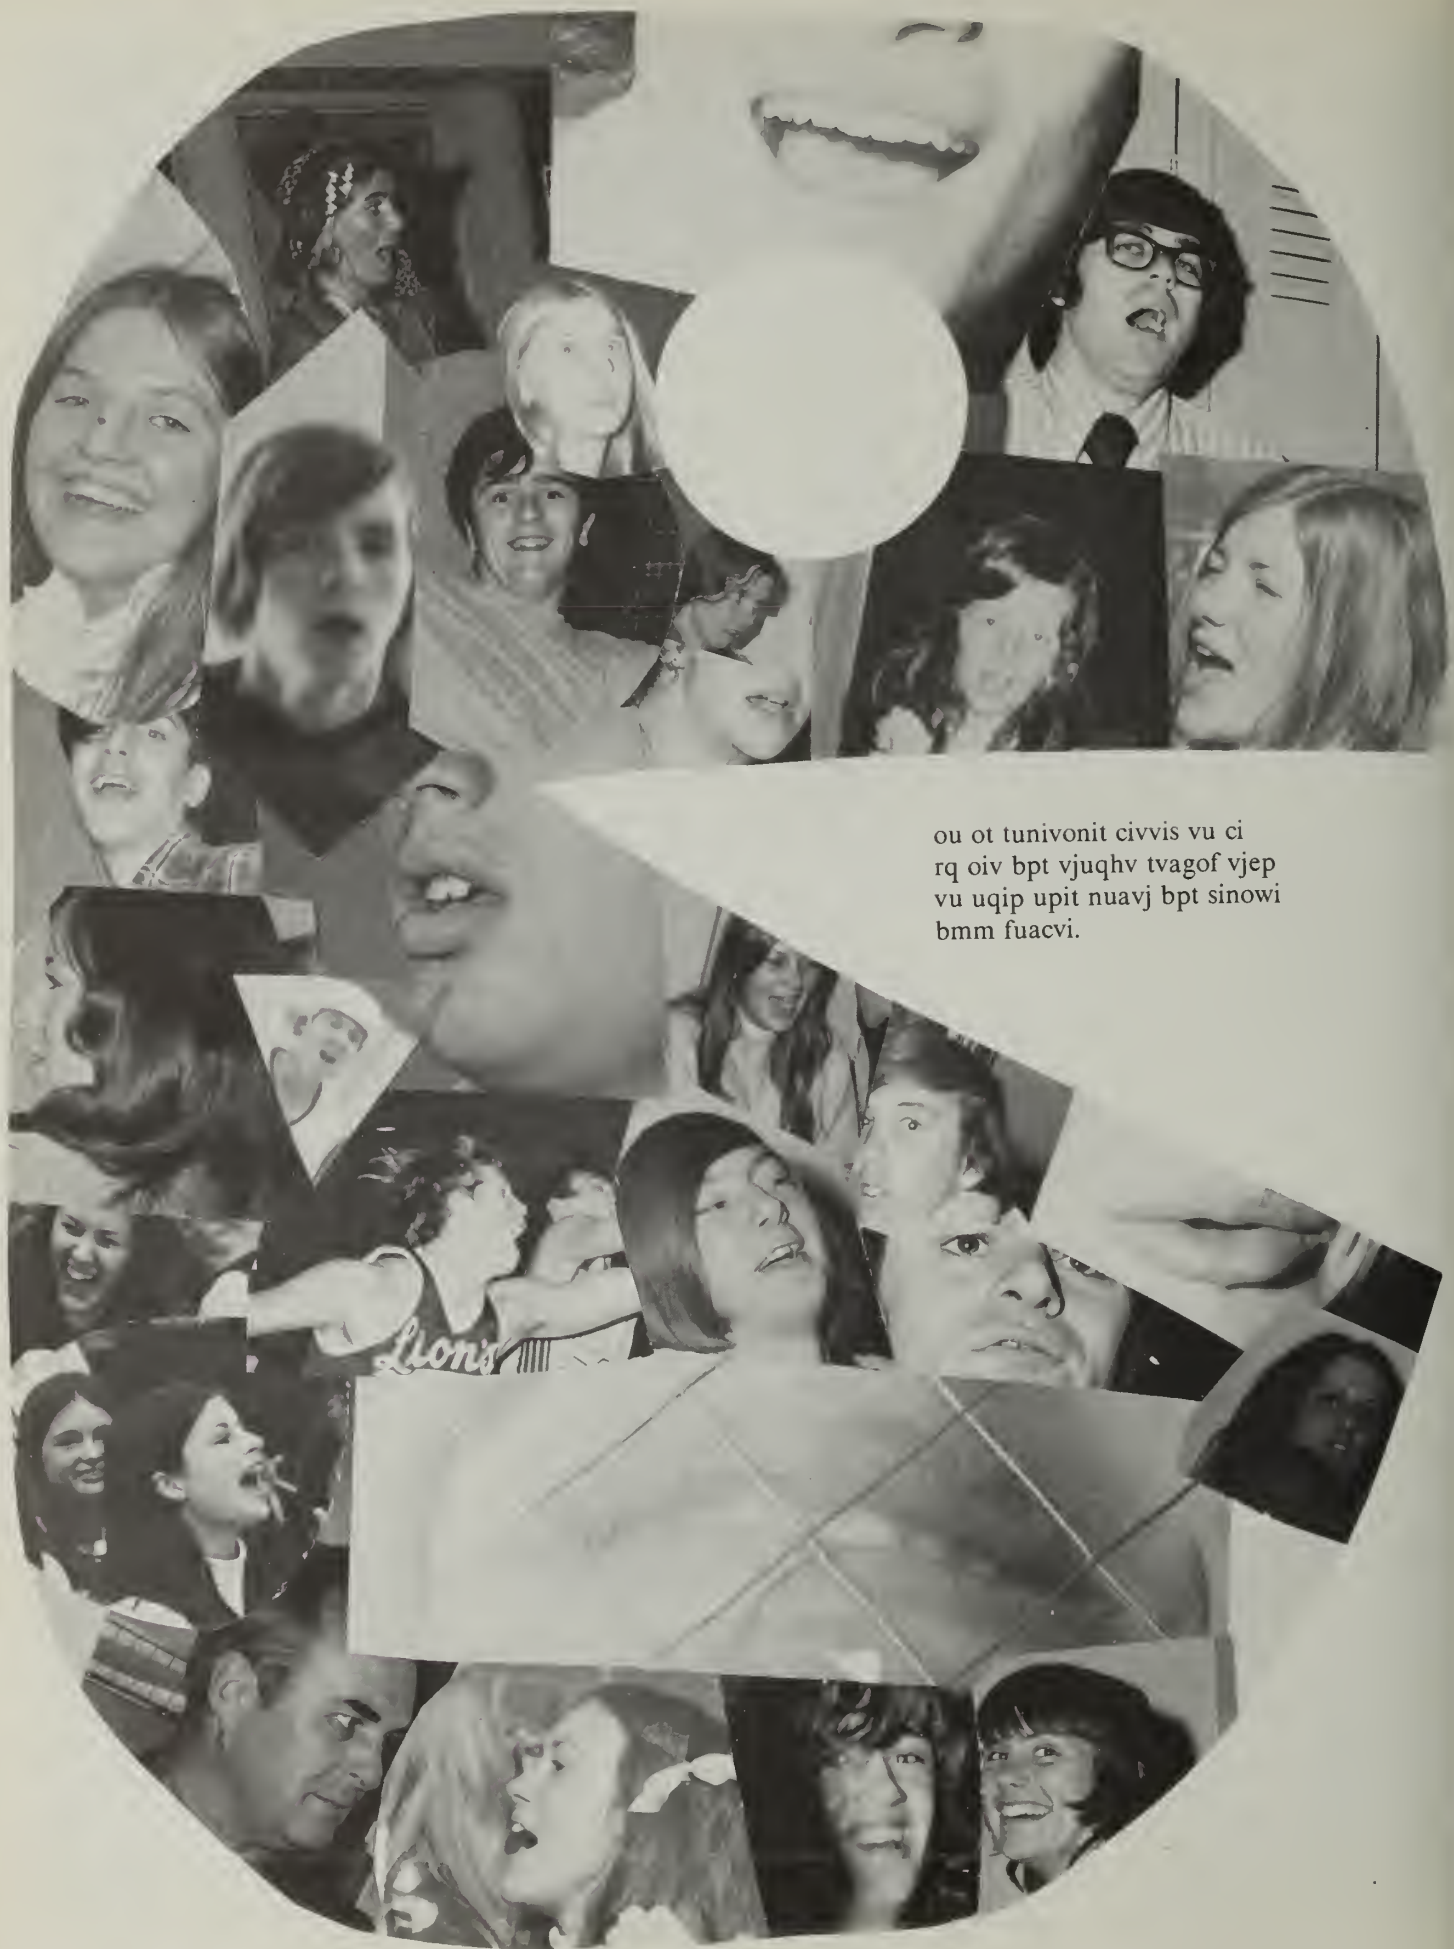

Co-Captains: Jackie Walsh and Kevin Gearin

If one word were chosen to describe this year's basketball team, that word would be—inexperienced. The squad consisted of three seniors, five juniors, and four sophomores none of whom, except for senior Kevin Gearin, had much previous varsity experience. But in spite of the mistakes that inexperience played in this season's record, the team was not a "quitter". Led by co-captains Kevin Gearin and Jackie Walsh, the team made it perfectly plain to its opponents that it would fight hard from the first to the last buzzer of each game, regardless of the outcome. Though the team did not win all its games, it never lost the respect of its opponents.

I Joyce Garabedian being of sound mind and body, leave B.M.H.S. with a great big relief.

I Ellyn Ford being of sound mind and body, leave my sisters Kathy, Betsy, and Mary Irene all the luck and happiness in the world.

I David Gagliardi being of sound mind and body, leave B.I.N.A.P.Y.M.T.I.A.P.Y.M.A.F. to anyone who can figure out what the letters stand for.

I Debby Galvin being of sound mind and body, leave all my days out of school, and all my cut slips to my brother Mike, in hopes that he can do better. To Mr. Richard, I leave Peace and contentment instead of aggravation.

I Paula Dorrington being of sound mind and body, leave with many friends and memories hoping to have many more. I wish my brother, Mike, all the luck and happiness anyone could have.

I Bill Morrissey being of sound mind and body, leave Mr. Cox the Chess Sets we used during his Algebra II class.

I Bob McKenna being of sound mind and body, leave all the teachers I've had to my two brothers and all the good times at B.M.H.S.

I Debbie Rosati being of sound mind and body, leave finally.

I Kathy Ross being of sound mind and body, leave to Squirty all the joys of senior year, if he ever makes it.

I Pat McKenna being of sound mind and body, leave the rest of the McKenna's to come.

I Susan Russo being of sound mind and body, leave Mr. Grillo and his scheming mind to the next class that gets him., Mr. Alcott sadly, Mrs. DiMatteo and her library assignments, and all the good times and memories to my upcoming brothers and sisters.

I Frank Stetson being of sound mind and body, leave the class of '74 two senior years of learning and a lot of fun.

I Cindy Tebo being of sound mind and body, leave Chuck Lampson's P.A.D. class and the smelly locker room, and to the teachers—I leave.

I Jeanette Sylvester being of sound mind and body, leave all the typing over the Howe to anyone who wants it, all my good memories of BMHS, and Mr. Cox and his insults way behind!

I Linda Zodiaco being of sound mind and body, leave the key to knowledge to those who know where to find it.

I Rita Hobbs being of sound mind and body, leave to BMHS my younger brother, Tommy, with hopes that his years be enjoyable. Good Luck!
